

Message from our Pastor

Welcome to our first edition of "Community Connections". This is a quarterly newsletter that we will be sending out to residents that are near our church. If you have your own church home, please continue to be active there. If you have a different faith tradition or no interest in faith, we understand that too. If you are already a member of the church, please pass this newsletter on to someone else. However if you have thought about being part of a faith COMMUNITY, **we would invite you to join us for our free events and special programs.** You are always welcome to **join us for worship on Sunday mornings.** If you would like to experience worship from the safety of your home check out our Facebook page, Peace Community UCC. Our worship is live-streamed there. Peace COMMUNITY is a place for children and teens to develop positive relationships with peers. It is also a place for adults to join together for strength and support as we all navigate a world that at times can seem so divisive. This is a COMMUNITY where you will be reminded that you are never alone and loved by Jesus Christ. Let me conclude with the motto of our wider church body, **"No matter who you are or where you are along life's journey, you are welcome here!"**
