Message from our Pastor

Easter is an opportunity to do a new thing. Just as Jesus rose from the dead, we can come out to the darker, dreary days of winter into the blooming flowers and increasing warmth of spring. This can also be a perfect time to get involved at Peace Community or the church of your choice. We have activities for all ages. You will notice that we have a free community event for families on April 8th called the Easter Extravaganza. There are events for youth, including JAM for those in K-5th grade and Youth Group for teens. There are activities for adults including Bible studies, a trip to the Bible museum in Mansfield, and a Ladies Spring Banquet. We also have special events for seniors including something new for seniors to come to the church for conversation, small breakfast items, and a lunch bunch that meets monthly. We are truly a community church. If you have your own church, you can still take part in our activities or if you are looking for an opportunity to worship or get connected with a faith community, you are welcome to give us a try. There are a number of benefits to being part of a local congregation including: exploring your faith, a social support system, activities to engage in and an opportunity to give back to your local community through service projects. Happy Easter!

Pastor Joel

Peace Community United Church of Christ

Community Connections

Fourth Sunday of Each Month

Haleigh, our Youth/Outreach Director and Pastor Joel have been working on an alternative worship style. We decided that we would do it on the 4th Sunday of the month since we also have the youth breakfast that same day. This will be a work in progress. We will begin by using music from the internet. This allows us to get the sound of multiple instruments. Most music that younger people listen to have this particular sound. Eventually, some folks might feel called to provide live music. We will sing praise songs, have an interactive sermon, video clips, and multiple lay people will also help to lead the worship. This style of worship invites people to "stand on holy ground" and the more casual style can allow the Holy Spirit to move more freely. It's exciting to see how this new opportunity will impact our mission.

We welcome of every race, gender, gender identity and/or expression, age, sexual orientation, nationality, ethnicity, family status, economic status, physical, mental and emotional ability into full participation, membership and leadership in our faith community.
